

# Life is Bliss

Dear .....

*I would like to offer you a Transcendental  
Meditation course.*

*My wish for you is to find profound bliss and peace, the  
kind you can only find deep within yourself.  
May it fill every area of your life: your health, your family,  
and your professional success.*

Personal message:

.....  
.....  
.....

When you decide to give yourself this lifelong gift and take the TM course, then please inform your local TM teacher at least one week before starting the course, along with my contact details. I will arrange the payment of your course with your TM teacher directly.
